Il halète avec joie

by [MiaQc](#)

Summary

Fanfiction mignonne d'une phrase avec Usagi Tsukino et Koromaru.

- Translation into English available: [He panted happily](#) by [MiaQc](#)

Koromaru halète avec joie pendant que je grattouille sa bedaine tout en lui disant qu'il est un bon chien, très gentil et trop mignon, mais je me demande d'où il vient.
